- History and Evolution of the Dunes Collaborative, Accomplishments, Values and Vision
- Mapping our Impacts and Interests
- Why We're Here Today

**2. Converging Missions and Common Values – Exploring Common Interests:  
A Facilitated Conversation of who we are and what we do**

Roundtable conversation among participants of whom each represents, what their organization's core mission is, what results and impact they seek, and what attracted them to participate in the discussion.

- Passions
- Projects
- Priorities

**3. Addressing Needs and Interests through Strategic Alliances and Action Steps**

What is collectively important and how can those priorities be advanced through affiliation? Complementary strengths and motivations – where and how can we work together to get better and smarter results that further our collective interests? Where do our priorities lie and how do they reinforce one another?

**4. Next Steps and Commitments – What is important to do together and how do we hold each other accountable for delivering on our commitments?**

**5. Closing Remarks**

**6. Adjourn**
